WELCOME TO DRUMMOND ISLAND

Ferry Etiquette 101

Plan ahead - The schedule for each ferry is available at www.eupta.net/ferry-system. Be aware that during busier times there will be waits and line ups. Ferry traffic may exceed capacity and the ferry may or may not "run wild" - meaning making extra trips to pick-up vehicles that are in line, but simply could not fit onboard.

Be nice - Line up in a single line behind the first person at the dock. Please do not cut in line or create a second line. Do not block side streets or driveways.

Don't rush - When loading or unloading from the ferry please pay attention to the crew members and their directions. Rushing rarely accomplishes anything and may cause an accident.

No smoking - Smoking is prohibited on the ferry at all times.

Hang up - Please put your cell phones away while loading and unloading.

Be prepared - Have your payment or ticket ready. Credit card preferred, but cash is accepted.

Lights off at night - Please don't blind the crew. The dock and ferry lights are all you will need to guide you onto the ferry.

Don't argue with the crew - Please remember they are performing their job. All decisions regarding vehicle classifications shall be made by EUTPA Crew and are final and binding.

ENJOY THE RIDE!
 You're on Island Time. Depending on the weather, your trip across may only take 10-15 minutes.

Buy your ferry ticket on the myEUPA app
